FAQs

How many people can you accommodate?

Our event space has seating for up to 125 seats guests and can accommodate more for events where guests are not all seated at the same time.

Can I bring my own food?

All food must be ordered from The Window at Third Wheel Brewing.

However, we do allow guests to bring in decorated cakes, cupcakes, and cookies.

Do I have to purchase the food or bar package?

No, we do not require you to purchase a food or beverage package, only that your group meets the combined food/beverage minimum. We can put all guest drinks and food on a group tab, or we can allow individual guests to pay for their own tabs, which will count towards the food and beverage minimum. Taxes and gratuities do not count towards the minimums.

What if my group does not spend enough to meet the food and beverage minimum?

Most packages are priced with minimums that can easily be met by a food, retail, and/or beverage tab of \$10 per person or less. If your group purchases do not meet the minimum, you may purchase gift cards, merchandise, or beer to go to meet the food/beverage minimum.

Why am I getting two bills for food and beverages?

Third Wheel Brewing and The Window are two separate businesses, so you will have one bill for food and another for beverages.

Can I decorate for my event? Yes, decorations are allowed. We do not allow glitter, feathers or confetti, and use of these items will incur a \$100 cleaning charge. Candles must be battery operated, no open flames. Tape or pins cannot be used on painted/stained surfaces. Contact us to arrange for early access to decorate your area before your event. All decorations must be removed at the end of the event.

What if I want to have an event on a day you are closed?

We can make it happen. We can handle anything from special luncheons or dinners to day-long corporate training to multi-day meetings. Contact Ron@thirdwheelbrewing.com for more info.
